Coimbatore, Tamilnadu

OBJECTIVE

Aspiring IT professional with a B.Sc in Information Technology and hands-on experience in Full Stack Development and Data Operations through internships at Wipro and Flipkart. Skilled in programming, database management, and troubleshooting, with strong analytical and problem-solving abilities. Seeking to leverage technical expertise and adaptability in a challenging role at Capgemini, contributing to efficient IT solutions and customer service excellence.

EDUCATION

2022 - 2025	B.SC Information Technology at NGM College	(Percentage: 61.0 %)
May 2022	HSE at SCM Higher Secondary School	(Percentage: 71.3 %)
Mar 2020	SSLC at SCM Higher Secondary School	(Percentage: 60.8 %)

TECHNICAL SKILLS

- **Languages:** C, C#, Java, RDMBS, MySQL, HTML, Advanced Excel, Python
- **Frameworks:** PHP, CSS, LaTeX
- **Skills:** Data Structures and Algorithms, Digital Marketing Fundamentals, Touch Typing (70 WPM)

SOFT SKILLS

- **Problem-solving:** Adept at analyzing complex issues and implementing practical solutions.
- **Teamwork:** Experienced in collaborating with diverse teams to achieve project goals.
- **Leadership:** Demonstrated leadership abilities during internships and academic projects.
- **Adaptability:** Quick learner who thrives in dynamic environments.

WORK EXPERIENCE

Flipkart Internship

May 2024 - July 2024

I have two months of experience working as a Senior Assistant at Flipkart, where I played a key role as a Data Operator. In this position, I was responsible for managing and processing data crucial to the company's operations. My role involved ensuring data accuracy, handling large datasets, and supporting the team's data related needs. My experience at Flipkart allowed me to develop strong attention to detail, proficiency in data management, and the ability to work efficiently in a fast-paced environment.

Wipro Limited Internship (LearnNex)

October 2024 - November 2024

During my one-month internship as a Full Stack Developer at Wipro, I worked on developing a web application using basic tools such as HTML, CSS, JavaScript, and PHP for the backend. I designed and built responsive web pages to enhance user experience and implemented form validation to ensure accurate data input. I connected the application to a MySQL database for efficient data storage and retrieval. I also collaborated with team members to troubleshoot bugs, optimize page loading speed, and improve overall functionality. Additionally, I gained exposure to version control using Git and improved my problem-solving and time-management skills while working under deadlines. This experience deepened my understanding of web development fundamentals and teamwork in a professional setting.

PROJECT EXPERIENCE

Campus Recruitment System
NGM College, Pollachi : 2024 – 2025

Project Creator & Lead Developer

Project Overview:

Developed a web-based **Campus Recruitment System** to automate and streamline the campus recruitment process. The system facilitates students to apply for jobs, track applications, and attend interviews, while recruiters can post job openings and manage applicants. The system significantly reduces manual tasks in campus recruitment events.

Technologies/Tools Used:

- **Frontend:** HTML, CSS, JavaScript
- **Backend:** PHP, MySQL

CERTIFICATIONS

- Basic Front End Development - HTML
- Digital Networking Strategies
- Program in C (IIT Bombay)
- Program in Cpp (IIT Bombay)
- JavaScript (IIT Bombay)
- Game Development by PyGame
- Digital Marketing Fundamentals
- MS Excel (Bharathiar University)

LANGUAGE PROFICIENCY

English: Read, Write, Speak

Tamil: Read, Write, Speak

Kannada: Speak

Malayalam: Speak
